1. Quick Reference

Business name	Cruise the Creek
Info desk (rentals/tours/ sponsorships)	330-406-9686 · info@cruisethecreek.com
Sales desk (test rides/purchases/ repairs)	330-406-9682 · salesteam@cruisethecreek.com
Primary pickup address	6685 Kirk Rd, Canfield, OH 44406
Secondary pickup	Scholl Recreation Pavilion, Bears Den Rd, Youngstown, OH 44511
Authorized brands	Heybike · Velotric · Jasion · Mooncool
Fleet size	11 e-bikes — 4 all-purpose, 1 high-step, 2 cruisers, 2 cargo, 2 e-trikes
Speed limit on trail	15 mph (strictly enforced on Mill Creek Bikeway)
Rider weight limit	400 lbs rider weight limit

Ohio E-Bike Law (so the agent can correct customer misconceptions)

Class 1 (pedal-assist, 20 mph), Class 2 (throttle, 20 mph), Class 3 (pedal-assist, 28 mph). No license, registration, or insurance required. Helmets recommended for all riders; not mandated by Ohio law for adults.

Mill Creek MetroParks Rules

Class 1 and 2 e-bikes permitted on all Mill Creek MetroParks paved trails. Class 3 not permitted on the trails. 15 mph max on bike trails, 25 mph on park roadways. No e-bikes on hiking-only paths.

Rider Age Policy

Ages 11–14: e-Trikes only at Kirk Road, subject to staff approval.

Ages 14–15: Class 1 & 2 e-bikes only. Parent/guardian-signed waiver, helmet required.

Ages 16–17: All classes (incl. Class 3) with a parent/guardian-signed waiver.

Ages 18+: All classes with a signed waiver.

All minors must have a guardian-signed waiver AND a guardian present to ride.

2. Contact Routing

When a caller needs to reach a human, route based on intent:

Desk	Phone	Email	Use for...
Info	330-406-9686	info@cruisethecreek.com	Rentals, tours, sponsorships, Bridge the Gap, general questions
Sales	330-406-9682	salesteam@cruisethecreek.com	Test rides, e-bike purchases, repairs, tune-ups, trade-ins

Customer preference: Texting is always faster than email — sales 330-406-9682, info 330-406-9686. Encourage callers to text for faster response if they don't need to speak immediately.

3. Locations & What to Expect on Arrival

Kirk Road Trailhead (Trailside Journey)

Address: 6685 Kirk Rd, Canfield, OH 44406

Speed: Cruising pace — limited to 15 mph

Vibe: Flat, paved, car-free. 11+ miles of Mill Creek MetroParks Bikeway.

Best for: First-time riders, families, casual cruises

Reservations: Reservations are required, but walk-ups CAN be accommodated under the right circumstances — tell callers to text first to check availability.

Parking: Park on the LOWER level, then walk up the hill or take the steps to our location.

On arrival: Arrive 15 minutes early for a required safety tutorial before the ride.

50-car parking lot, restrooms, water fountains, picnic pavilion. Trail extends north toward Austintown and south toward Canfield.

Bears Den / Scholl Pavilion (Unleash Your Adventure)

Address: Scholl Recreation Pavilion, Bears Den Rd, Youngstown, OH 44511

Speed: Full experience — speeds up to 25 mph

Vibe: Hilly, wooded, scenic. Goes through the heart of Mill Creek Park.

Best for: Confident riders, scenic adventures, exploring park interior

Reservations: STRICTLY a pickup & drop-off location — reservations are REQUIRED, no walk-ups.

Parking: Park in front of the Scholl Recreation Pavilion. The e-bikes are delivered right to the pavilion.

On arrival: Arrive 15 minutes early for a required safety tutorial before the ride.

Loops past Lanterman's Mill, Suspension Bridge, Lily Pond, Rose Garden.

Both locations: riders must arrive 15 minutes early for a required safety tutorial before heading out.

4. Hourly Rental Pricing & Add-Ons

Kirk Road starts at \$25 for the first hour; Bears Den starts at \$35 for the first hour. Both add \$10 for each additional hour.

4 Day	\$265
5 Day	\$315
6 Day	\$360
1 Week	\$400

Book: [long-term-rental.html](#) reservation form, or text the info desk at 330-406-9686.

6. E-Bike Brands We Sell

Brand	Price Range	Positioning
Heybike	\$900–\$2,000	Original fleet since 2022. Wide lineup — fat tires, cargo, step-thru, all-purpose. ~75% of rentals.
Velotric	\$1,200–\$2,500	Mid-to-premium tier. More traditional cycling feel. Popular for the Bridge the Gap program.
Jasion	\$700–\$1,500	Budget-friendly without sacrificing performance. Folding fat tires, hunter-style, value commuters.
Mooncool	\$700–\$2,000	Cruisers, e-trikes (3-wheel for extra stability), value picks.

Most riders land \$900–\$1,500 depending on motor power, range, and frame style.

7. Services & Pricing

Creek Ready Tune-Up — \$125

For: ANY brand of e-bike

- Premium deep clean & rust prevention
- Deraillleur, brake & bearing adjustment
- Motor performance & controller diagnostics
- Battery health assessment
- Full safety inspection & professional test ride

Turnaround: 2–3 business days

Creek Ready Setup — \$100 (with new bike purchase) / \$225 (already-owned bike)

For: New e-bikes from CTC, or Heybike/Velotric/Jasion bought online

- 50-point safety certification
- Andrew's master assembly
- Ohio Rust-Belt Shield corrosion treatment
- Free 30-day break-in tune included
- Manufacturer liaison support for warranty claims

Turnaround: Scheduled within 24 hours of payment

Video Diagnostics — Book online

For: Anyone stuck on assembly or seeing an error code

- 1-on-1 live video with our technician
- Error code diagnosis & troubleshooting
- Guided assembly support

- Velotric / Heybike / Jasion specialists
- No travel needed

Turnaround: Same-day or next-day session

8. Rentals (What's Included)

Fleet: 11 e-bikes total: 4 all-purpose, 1 high-step, 2 cruisers, 2 cargo, 2 e-trikes

INCLUDED PER RENTAL

- A properly fitted e-bike (sized to you)
- A properly fitted helmet
- Eyewear (sport-style glasses)
- Walkthrough of bike, controls, and safety basics
- Digital map of the local rides

Advance booking	Book 2–3 days ahead for weekends, longer for holidays. Weekday mornings often have same-day availability.
Groups	Larger groups should reach out directly — birthday rides, family reunions, corporate outings all welcome.
Test rides	Free. \$1 holding fee, no-show converts to 1-hour rental rate.
Stroller add-on	Optional child-stroller attachment for kids under 60 lbs. Confirm availability before booking.
Pet stroller	Optional small-pet carrier attachment. Confirm availability before booking.

9. Bridge the Gap (Rent-to-Own)

Rent-to-own program for the Mahoning Valley.

TERMS

- \$25–\$30 per week in bi-weekly payments
- 15 bi-weekly payments total (\$750–\$900 program cost), then the bike is yours
- No credit checks
- No driver's license required
- Ride the bike the whole time you're paying

Monthly equivalent: \$100–\$120/month (vs \$400–\$600/mo on rideshare)

BIKE OPTIONS

Style	Best for	Price
Step-Over	1–12 mi one way	\$50/biweekly
Step-Thru	1–20 mi one way	\$55/biweekly

Apply: [bridge-the-gap.html](#) → 'Apply Now', or text the info desk at 330-406-9686.

Early termination: Reach out — we'll work with you. Life happens.

10. Sponsorship Packages

- Complimentary Gold Memberships for all employees

GOLD MEMBERSHIP PERKS

- 75% off the first hour of any ride
- 40% off each additional hour
- 40% off accessories and add-ons

11. Current Sponsors

If a caller asks "who sponsors you" or wants to talk to one of your sponsors:

Sponsor	Contact	Bike	About
YoGo BikeShare	Ronnell Elkins (CEO) · yogobikeshare.com	Ranger S E-Bike · Trailside Journey	Family-owned micro-mobility business in Youngstown. 'Unlock · Ride · Return.'
Kim Blasko	Realtor for Howard Hanna · 330-951-5510 · (pending)	CityRun E-Bike · Trailside Journey	Licensed Real Estate Agent, Million Dollar Producer. Residential Relocation Specialist.
The MLO Bros	Isaac & Luke Schuster (realtors / loan officers) · 330-651-7081 · (pending)	Ranger S E-Bike · Trailside Journey	One-stop shop for homebuyers and sellers — real estate + mortgage lending under one roof.

12. Trailside Journey Destinations

From the Kirk Road trailhead, callers can ride these out-and-back routes:

Head South

Destination	Distance	Duration	Highlights	Dining
MetroParks Farms Canfield, OH	9 miles round trip	approx 40 min	Archery Range, Disc Golf Course, Adventure Barn (seasonal), Sunflower Field	AngeNetta's Cafe, Jr Grinders, Stonefruit Coffee Company
The Walnut Grove Canfield, OH	12 miles round trip	approx 48 min	Hidden playground in the woods, dawn 'til dusk access	Jr Grinders, AngeNetta's Cafe, Stonefruit Coffee Company

Head North

Destination	Distance	Duration	Highlights	Dining
Mahoning Avenue Trailhead Austintown, OH	5 miles round trip	approx 24 min	Iconic overpass bridge over Mahoning Ave, family-friendly distance	Molnar's Concessions, Paladin Brewing
Niles Greenway · Central Park Trailhead Niles, OH	18 miles round trip	72+ min	Niles Greenway bridge, McKinley Memorial, wooded trail	Dairy Queen, Stoneyard Grill, Cadence Coffee House, Niles Sons of Italy

13. Frequently Asked Questions

Organized by topic. Each is a verbatim answer the agent can use.

Booking

Q. How do I book a rental?

A. Book online — pick a pickup location (Bears Den / Scholl Pavilion or Kirk Road Trailhead), choose how many bikes and a time block. You'll get a confirmation email with waiver forms and pickup details. Prefer the human touch? Text Pat at 330-406-9686.

Q. How far in advance should I book?

A. Weekends and warm-weather afternoons fill up — book at least 2–3 days ahead for weekends, longer for holidays. Weekday mornings often have same-day availability. If you're flexible, message us and we'll fit you in.

Q. Can I book for a group?

A. Yes. Our fleet has 11 e-bikes total — 4 all-purpose, 1 high-step, 2 cruisers, 2 cargo, and 2 e-trikes. Larger groups should reach out directly so we can confirm availability and the right mix. Birthday rides, family reunions, and corporate outings all welcome.

Q. Do I need to create an account?

A. No account needed. Just an email so we can send your confirmation, waiver, and pickup instructions.

Q. What happens after I book?

A. You'll get an email with: pickup location/date/time, waiver forms to sign before you arrive, contact details if anything changes, and helpful info about safety, gear, and what to expect. Show up about 10 minutes early so we can fit your bike, adjust seat and bars, and walk you through the controls.

Test Rides

Q. Can I try a bike before I buy?

A. Absolutely. We encourage test rides — it's the best way to find the right fit. We don't carry every model on the floor, but our fleet gives you a feel for what to look for: throttle vs. pedal-assist, frame style, motor power, and seating position.

Q. How do I schedule a test ride?

A. Use the 'Test Ride' booking link on the home page, or text our sales team directly at 330-406-9682. We'll get you on the calendar.

Q. Where should I do my first test ride?

A. If it's your first time on an e-bike, we strongly recommend Kirk Road. The Mill Creek MetroParks Bikeway is flat, paved, and car-free — perfect for a safe first ride. Experienced riders can test at Bears Den / Scholl Pavilion for hills and real terrain.

Q. How long is a test ride?

A. Long enough to make a real decision — typically 20–30 minutes. We're not on a stopwatch. If you want longer, ask.

Q. Is there a fee for a test ride?

A. Test rides are free. There's a \$1 holding fee — if it becomes a no-call/no-show, it converts into a 1-hour rental rate.

Tours & Rentals**Q. What rental options are available?**

A. Three flavors today, with a fourth on the way: (1) Adventures — pickup at Bears Den, in the heart of Mill Creek Park. (2) Trailside — pickup at Kirk Road Trailhead, 11+ miles of paved bikeway. (3) Bridge the Gap — rent-to-own program. (4) Long Term — multi-month plans coming soon.

Q. What's the difference between Adventures and Trailside?

A. Adventures (Bears Den) — guided rides through Mill Creek Park's hidden corners: Lily Pond, Lanterman's Mill, the covered bridge. Hilly, wooded, scenic. Great for explorers. Trailside (Kirk Road) — flat, paved, family-friendly bikeway. Great for first-timers and casual cruises.

Q. What's included with a rental?

A. A properly fitted e-bike, a properly fitted helmet, eyewear (sport-style glasses), a walkthrough of the bike and controls, and a digital map of the local rides.

Q. Can I bring my own helmet?

A. Of course — bring your own helmet, glasses, gloves, padded shorts, anything you ride with already. We provide the basics free for everyone else.

Q. Do you offer guided tours?

A. The Adventures pickup at Bears Den puts you in the heart of Mill Creek Park, and we'll point you to the loops that match your group's pace. Custom guided experiences for groups, birthdays, and corporate outings can be arranged — text us to plan.

Sales**Q. What brands do you sell?**

A. Heybike (original fleet since 2022, ~75% of rentals), Velotric (mid-to-premium, traditional cycling feel), Jasion (budget-friendly value), and Mooncool (cruisers and 3-wheel e-trikes for extra stability).

Q. How much do e-bikes cost?

A. Lineup ranges from about \$650 (Jasion) to about \$2,500 (Velotric). Most riders land \$900–\$1,500 depending on motor power, range, and frame style.

Q. Do you assemble the bike for me?

A. Yes. Every new e-bike goes through Creek Ready Setup (\$100): Andrew's master assembly, 50-point safety check, Ohio Rust-Belt corrosion treatment, free 30-day break-in tune. Don't risk a DIY build on a 50-pound machine that sustains 28 mph.

Q. Do you deliver?

A. Local delivery is available in the tri-county area for an affordable flat fee. Contact us for a quote.

Q. Do you take trade-ins?

A. Case by case — based on brand, condition, and current demand. Text photos and the model to 330-406-9682 for a quote.

Bridge the Gap

Q. What is Bridge the Gap?

A. Our rent-to-own program for the Mahoning Valley. Makes e-bike ownership accessible by spreading payments over time while you're using and enjoying the bike.

Q. How does the program work?

A. \$25–\$30 per week in bi-weekly payments. 15 bi-weekly payments total, then the bike is yours. No credit checks. No driver's license required. You're riding the bike the whole time you're paying.

Q. Who qualifies?

A. Built for residents who need reliable transportation but face barriers with traditional financing. Anyone of legal age can apply. Text the info desk at 330-406-9686 to start an application.

Q. What if I want to stop early?

A. Reach out — we'll work with you. Life happens, and we'd rather have an honest conversation than make this complicated.

Safety

Q. How old do you have to be to ride?

A. Ages 11–14: e-Trikes at Kirk Road only, staff approval. Ages 14–15: Class 1 & 2 only, guardian-signed waiver, helmet required. Ages 16–17: All classes (incl. Class 3) with guardian-signed waiver. Ages 18+: All classes. All minors need a guardian-signed waiver AND a guardian present.

Q. What's the weight limit?

A. 400 lbs rider weight limit for maximum range, performance, and safety.

Q. Do I have to wear a helmet?

A. Helmets are strongly recommended for every CTC rider regardless of age. Properly fitted helmet included free. Ohio law doesn't mandate helmets for adults, but we strongly encourage — these are 70-pound machines that sustain 15–28 mph.

Q. Are e-bikes hard to ride?

A. Not at all. If you can ride a regular bike, you can ride an e-bike. Pedal-assist makes hills feel flat and long distances feel short. Full tutorial before you head out. We reserve the right to cancel a rental if we don't feel confident in rider readiness — guest and pedestrian safety is non-negotiable.

Q. What if I crash or get hurt?

A. Stop riding, get to safety, and text 330-406-9686 or 330-406-9682. If it's an emergency, call 911 first. We'll come to you.

Q. What if the bike breaks down on the trail?

A. Text 330-406-9686 or 330-406-9682. We'll send a tech to fix it on the spot (e.g. flat tire) or bring you back to the shop. Then we'll swap you onto another bike or revise your charge for actual time used.

Service

Q. Do you service bikes you didn't sell?

A. Yes — the Creek Ready Tune-Up is for ANY brand of e-bike. If it has a battery and a motor, we'll look at it (we reserve the right to decline the job after inspection).

Q. How much is a tune-up?

A. \$125 for the comprehensive Creek Ready Tune-Up. Includes premium deep clean, rust prevention, derailleur/brake/bearing adjustment, motor + controller diagnostics, battery health assessment, and full safety inspection with professional test ride.

Q. How long does a tune-up take?

A. Most tune-ups are done in 2–3 business days. Heavier work or special-order parts can extend the timeline — we'll tell you up front.

Q. What is 'Creek Ready Setup'?

A. Master-level new-bike build, \$100, performed by Andrew. Includes 50-point safety certification, Ohio Rust-Belt Shield corrosion treatment, free 30-day break-in tune, manufacturer-liaison support.

Q. Do you offer remote support?

A. Yes — Video Diagnostics. Book a live video call with our factory-trained technician. 1-on-1, error-code troubleshooting, guided assembly support. Velotric / Heybike / Jasion / Mooncool specialists.

Q. What about warranty work?

A. As authorized dealer for Heybike, Velotric, Jasion, and Mooncool, we handle warranty claims directly with the manufacturer. Bring the bike (and proof of purchase) to the shop.

Policies**Q. What's your cancellation policy on rentals?**

A. Cancel or reschedule with at least 24 hours' notice for a full refund. Inside 24 hours we may not refund in full, but we always work with you on weather, illness, or genuine emergencies. Text 330-406-9686 as soon as you know.

Q. What if the weather is bad?

A. If WE cancel for weather, full store credit or free reschedule — your call. Light rain isn't usually a reason to cancel; lightning, severe storms, ice, or unsafe trail conditions are. We reach out the morning of if it looks dicey.

Q. Can I get a refund on a tune-up?

A. Once work has begun, parts and labor are non-refundable. If we haven't started, you can cancel any time.

Q. What if I damage the rental bike?

A. Normal wear is on us. Rider negligence — collision, drop damage, missing parts — is on you per the waiver. We assess any damage when you return the bike and let you know before billing anything.

Contact**Q. What's the fastest way to reach you?**

A. Text 330-406-9686 (info desk) or 330-406-9682 (sales). We answer texts faster than calls or email — usually within an hour during the day. Non-urgent: info@cruisethecreek.com.

Q. Where are you located?

A. Trailside Journey pickup: 6685 Kirk Rd, Canfield, OH 44406 — along the Mill Creek Bikeway. Unleash Your Adventure pickup: Bears Den / Scholl Recreational Pavilion (inside Mill Creek Park).

Q. What are your hours?

A. Hours vary seasonally — we book by appointment. Text or email to confirm a slot rather than show up to a closed shop.

Q. Can I just stop by?

A. Best to book online for accurate availability. Walk-ins welcome when the showroom is staffed, but we're often out on rentals or service appointments — a heads-up means you'll catch us.

14. Booking Troubleshooting

When a caller is stuck on the online booking flow, these are the common issues and the verbatim fixes.

Calendar shows no available dates

Tap the ◀▶ arrows at the top of the calendar to scroll months. Greyed-out dates are fully booked — try the next available date. If nothing's open in the next 2 weeks, text Sales at 330-406-9682.

Calendar isn't loading

Refresh the page once. If it still won't load, switch to Chrome or Safari, or text Sales at 330-406-9682 and we can book over the phone.

Picked a bike but nothing happens

After you add a bike, a 'Who will be riding?' popup opens. Tap + next to '16 Years or Older' to set the rider count to at least 1, THEN tap the green Save button at the bottom of the popup. Form moves on once every bike has at least one rider saved.

Continue button is greyed out

Almost always means the 'Who will be riding?' popup wasn't Saved on one of the bikes. Scroll up to each bike in the cart, reopen its popup, ensure '16 Years or Older' is ≥ 1 , hit Save. Continue activates once every bike has riders saved.

What is the Stroller Add-On?

Optional — for kids under 60 lbs in a child stroller attached to one of our e-bikes. Leave at 0 if not needed. Text Sales at 330-406-9682 to confirm stroller availability before booking.

What is the Pet Stroller?

Optional — small dog in a pet carrier attachment. Leave at 0 if not bringing a pet. Confirm availability before booking.

More riders than bikes

Each rider 16+ needs their own e-bike. Kids under 60 lbs can ride in the Stroller Add-On attached to a bike. Otherwise, add more bikes — or text Sales at 330-406-9682 for help sizing.

Want more bikes than the slot shows available

Fleet caps at 11 e-bikes total. For larger groups, text Sales at 330-406-9682 — we can sometimes shuffle inventory or open a custom slot.

No time slots showing for the date

That date might be fully booked. Try the next day, or text Sales at 330-406-9682 — we occasionally have a private slot we can open up.

Address won't accept

Type slowly and pick from the auto-suggest dropdown — Peek validates against that list. If it still won't take, use 6685 Kirk Rd, Canfield OH 44406 as a placeholder and we'll sort details at pickup.

Card was declined

Try a different card, or text Sales at 330-406-9682 to take payment manually. We accept Visa, Mastercard, Discover, and Amex.

Don't want to pay online

No problem — text Sales at 330-406-9682 with date and group size and we can hold the slot. Payment can happen at pickup.

15. Recommended Accessories

These are the Amazon affiliate picks we point customers toward. If a caller asks "what saddle do you recommend" the agent can name these.

Product	Category	Why
Bluewind Oversized Backrest Saddle	Saddles & Seats	Wide bicycle saddle with novel backrest design. Universal fit for e-bikes, exercise bikes, stationary road bikes.
Bluewind Noseless Oversized Saddle	Saddles & Seats	Wide backrest, noseless design for riders who want pressure off the perineum on long cruises.
Bluewind Wing-Padded Wide Saddle	Saddles & Seats	Extra-wide cushion with comfort wings. Drop-in for Peloton, stationary bikes, e-bikes, cruisers.
Cloud-9 Cruiser Select Saddle	Saddles & Seats	10.5" × 10.75" cruiser saddle, soft-touch black vinyl. Classic sit-up-and-cruise feel.
Cloud-9 Suspension Cruiser Saddle	Saddles & Seats	Built-in suspension and cruiser gel. Smooths out bumps without losing comfort.
Spring Suspension Seat Post	Seat Posts	Shock-absorbing post — 27.2 mm, 30.9 mm, 31.6 mm. Check seat tube before ordering.
40-in-1 Ratcheting Screwdriver	Tools	S2 steel bits with detachable ratchet handle. Bike tweaks, electronics repair, general DIY.

Generated 2026-06-01 from the live CMS sheet. Re-run `python3 tools/gen_knowledge_base.py` after Sheet edits.
